I had never heard the term 'newbie' before. Then I heard it applied to me because I was new to making an adult video. It's a fun moniker and I wear it with pride, because if I keep doing this, which I plan to do, then it won't last too long. See you all in future pictorials and videos.

Getting deep-dicked by an 11-inch cock

Confessions of a Teen Slut

My most memorable sexual escapade came the summer of my senior year in high school. I was working in a small pharmacy in the neighborhood along with my best friend, Kristie. Like me, Kristie was a horny little slut. Both of us had been fucking guys since we were younger and had even satisfied each other when we were horny and couldn't find an available dick. But in all modesty, that wasn't often because we had reputations among the women in our town, so we usually had an easy time finding cock.

Kristie's sister collected passes at the gate at the community swimming pool. She had discovered that the boards in a storage closet were loose and she could look directly into the men's shower room. On her lunch hour she'd sneak into the closet and watch the meat parade. Nancy knew who in town had the weenies and who had the honkers. She'd tell Kristie who, in turn, would tell me. Sexual chitchat was our only way of relieving the boredom of waiting on old ladies and little kids in that drugstore.

In the middle of summer Kristie told me that Nancy had seen this new kid in town, Greg Fender, in the showers. His cock, according to Nan must have been six inches long. And that was soft! Nancy had nearly creamed her shorts when she first saw him in the nude, not only because he had a great body and a big cock, but also because he was younger. Kristie and I exchanged ideas about how big that dick might be when it was "up a bone," but little did we know that we would soon get to find out for ourselves.

It was a few weeks later, one God awful hot Saturday af-

ternoon. Old Doc McGee, the owner and pharmacist, had left Kristie and me in charge of the store while he went home for the afternoon. The only good thing about working there was the air conditioning.

That is, until Greg came in. He browsed awhile, bought a soda, and sensed that something was up.

"May I help you?" I asked in my most professional tone of voice. He hesitated a moment and then asked about the condoms. It was an old-fashioned drugstore and we kept the condoms behind the counter. I didn't know if he was serious or if it was just an opening line. For all I knew he

could have heard that I was easily aroused and usually gave in after a while, but I like to give the guy a hard time first.

I told Greg that Doc had a store policy against selling condoms to anyone under sixteen. Well, he got furious at that, saying if he was old enough to need them and use them, he was old enough to buy them. I agreed that what he said made sense, but rules were rules and my job was at stake. Stepping back, away from the counter, he asked me to make an exception, "considering my condition."

I couldn't help but laugh. He had a hard-on that to this day, gets me sopping wet just remembering the sight of it bulge. But still, keeping some degree of composure, I teased "For all I know that could be a banana in there."

"It's real enough," he said, then came around the counter where I could feel it. By that time Kristie had wandered over so I drew her into the act. We felt his cock up and down, still professing our doubts.

"This can't be a real cock, It feels like a hunk of pipe."

"I've never heard of 'em getting this big. Must be fake."

I wonder now why the poor guy didn't come in his pants, but he didn't. Kristie hurried home to get her camera, as we told Greg we'd "help alleviate your problem" on the condition that we could document his size for our scrapbooks. Poor Greg suffered while Kristie was gone. His hose was leaking pre-cum that was leaving a growing wet spot on the front of his jeans. By the time Kristie got back, I was so hot it took a great effort to keep from jumping Greg's bones.

We hurriedly pulled Greg into the storeroom and I jerked his jeans and shorts down. His erection made my mouth water, my eyes glaze, my knees weak and my pussy wet. That beauty stuck proudly straight up his belly, past his navel. It was circumcised and the huge head was shiny from his dribbling pre-cum. I got a tape measure and Kristie took snap shots as I taped it at eleven long inches of solid gristle, a bone I was dying to gnaw on and bury in my cunt.

Eagerly I gripped his prick in one hand, his balls in the other, and fed that meat into my mouth, swirling my tongue over and around, tasting his pre-cum...

I held his long John firmly, weighed his young and heavy nut sack in my palm, feeling his bloated balls roll inside. Kristie joined me, and even when both of us circled his dick with our hands, the way you choke up by gripping a baseball bat, a good two inches of hot cock poked out.

Just when Kristie was about to pop that swollen knob into her hungry little mouth, we heard the bell ring that signaled when a customer entered the store. Kristie reluctantly let go of the poker and went out to wait on the customer, leaving me alone with Greg and a cock that would have made a man envious and a woman dizzy.

Eagerly I gripped his prick in one hand, his balls in the other, and fed that meat into my mouth, swirling my tongue over and around, tasting his pre-cum fresh from the oozing slit. I pointed my tongue and tried to stick it in his hole, then I took that cock as far into my throat as I could without choking, but about half of his pole was left out, so I jerked him off with my hands as I worked my tongue on the nerve bundle under the head of his dick.

Greg was too wired to resist that action for long, and just as I'd hoped he came in my mouth, snorting the whole time. I slurped and swallowed his sweet syrup shamelessly as he pumped volley after volley down my gullet. God, what a load! So much that some was forced out of my lips, but I caught it in my hand and, as soon as he stopped shooting, I lapped his pudding from my hand. I licked his shaft and balls clean too.

My pussy was screaming and Greg had just what it needed. I pulled off my panties, bent over a chair, and wiggled my ass at him.

"Okay, Greg, let's see if you know how to use that thing. Fuck me hard and fast!"

He grabbed hold of my hips and I guided his snake to

my steaming pit. He buried that thing in me quicker than this. His prong found places I didn't even know I had. His belly met my ass and I about passed out with the feeling of eleven inches filling me. Any woman who has ever been deep-dicked by a long dong knows that the sensation is indescribable. And Greg's totem was tucked tightly in my cunt, the end burrowed inside my womb, where no man (or cock) had gone before.

Greg fucked like a pro. Right then I had to bite my lip to keep from screaming in pleasure. Even then, my whimpering and moaning would have attracted attention had it not been a slow afternoon in the store. I was aware of Kristie returning to the room and, after shutting the door, she

grabbed her camera and the flash bulbs kept popping as she shot Greg's slimy log battering my swollen cunt. Greg pulled out till only the bulbous head was inside. Flash! Then he pulled my hips and slid deep into my channel. Flash! His swinging balls met my wet pussy lips. Flash!

"Goddamn!" was all Kristie could say as Greg plumbed my puss. Every time the camera would flash, I'd hear Kristie mumble "Goddamn!" in sheer amazement. Harder and faster the kid fucked till I thought I'd die of the thrill, with his dick rupturing all my insides.

When he pulled out that seemingly endless tool, Kristie grabbed it and stuffed it, drenched with my juice, into her

mouth. I watched, still bent over the chair, as his balls tightened and his cock vibrated and he came in Kristie's greedy mouth. He poured just as much hot seed down her throat as he had mine only minutes before. I could see her throat as he had mine only minutes before. I could see her throat work to swallow that spermy scum, and I could hear her gulping like the slutty little thing she was. *Like we both were.*

I heard the front bell ring again and knew it was my turn to go out front. Pulling myself together as best as I could, I stepped out, red-faced, out of breath, slightly sweaty, and pantyless. I waited on a little old man who probably would have had a coronary if he knew what was going on in the back of the store. Greg's cock had opened me up so much that my pussy juice was flooding down my thighs. That old man must not have had too keen a sense of smell, since the air reeked of my sex smell. His hearing must have been off too, because he never reacted to Kristie's wild screams from

ized by the sight of almost a foot of steely flesh moving out of and disappearing into Kristie's puckered pussy.

The air in that room was heavy with the wet, sharp tang of sex. I took a couple of pictures of Greg fucking Kristie, then I stripped and moved to join them. I locked my lips around one of Kristie's stiff nipples, while I fondled Greg's down-covered nut sack. Kristie gasped for air as Greg's piston forced the air from her lungs. I knew that she was having one l-o-n-g orgasm, because her eyes were half-rolled up in their sockets, she kept rocking her head back and forth, spit running from the corners of her mouth. I knew that Greg could, quite literally, fuck her senseless.

So I poked a finger up Greg's asshole. That did the trick, because he pulled his prick out not a second too soon. No sooner did it spring out of Kristie's battered box than it spit a pearly wad that hit my forehead. I grabbed hold and pulled him off, his scum soaking Kristie's heaving belly. As I

I sat in the chair, pulled Greg along and told him to soothe the ache between my legs. “Kiss it and make it feel even better,”

milked him, I marveled how the guy had managed to produce three healthy loads in half an hour. I lapped up his juice and then tongued his wilting dipstick, still too much for my mouth when it was soft.

I sat in the chair, pulled Greg along and told him to soothe the ache between my legs. “Kiss it and make it feel even better,” I said, pushing his head into my swamp. His tongue cleaned me out and danced on my clit.

Kristie regained her bearings and joined us, licking my thighs where my juice was lying. Even then, I saw her lovingly stroking Greg's dangling rod and squeezing his balls. By the time my buzzer had rung a few times from his tongue work, damn if he didn't have half a hard on! I told him he had to clean Kristie's gash, too. While he did that, I reamed his asshole with my tongue. Nasty, yes, but I loved it.

We ended the session on a nice note. Kristie and I had Greg lie flat on the table while we gave his Wonder Wand a slow, tantalizing blowjob. We nibbled his nuts, gnawed his knob, licked his stalk, everything possible. When he came (for the fourth time in an hour!) we shared his nectar, smacking our lips at the salty sweetness. His warrior was red and sore, but satisfied when Greg left ... carrying a box of condoms, his “service charge.”

Kristie made some fantastic prints, which I've kept to this day. I'm 32, now, twice divorced, with my own daughter. When I found a box of condoms hidden in her drawer and realized that my little girl was growing up, I remembered the pictures and dug them out.

Greg would be about 29 now. God knows how big that magnificent cock has grown. I have never had a cock as big since then. Greg and his family moved away early in the fall, so I only got my fill of him for a couple of months. I've had cocks in every hole, but none as long or as grand as Greg's.

the back. Knowing what was causing her to scream made a shiver run through me and another gush of hot stickiness rush down my thighs.

I locked the door behind him when he left and put the “Closed” sign in the window. I grabbed the camera and flash bulbs on my way back to where the action was. Greg was lying on top of Kristie, his balls smacking her ass on each downstroke as he merrily fucked away. I was mesmer-

A GOOD BUTT FUCK MAKES ME SMILE

MOUTHS AND PUSSIES AND COCKS, OH MY!

NO PLACE LIKE HOME

I had a few misgivings about returning to Pennsylvania for my family reunion last summer. As a successful businesswoman, any extended stay away from work means a tremendous backlog and a lot of catching up to do. Also, I felt a little awkward knowing that my childhood friend Lou would be there.

Growing up together, we were inseparable, playing all day and even double dating when we came of age. As a young man, Lou was a real hunk, with a smooth, sexy body. Most of the girls in school wanted to date him, but he put many of them off. True, he'd date occasionally, but he preferred spending most weekend evenings in my arms—and between my legs. We taught each other everything there is to know about sex.

When I moved to the West Coast, I thought Lou would die of a broken heart. I was pleased to learn he married and had kids, but couldn't get the idea out of my head that seeing him

again might rekindle those smoldering fires of lust that had fused us together on so many warm summer nights.

When I landed, I drove out to see the family and made the rounds, greeting and kissing all of my relatives. That's when I saw him. Sitting at the end of the picnic table, he looked as handsome as ever. A little gray on the temples gave him a mature, sexy charm, and his blue eyes still sparkled with a warm glow.

He kissed me and hugged me dearly, his curious eyes roaming over my body and making my legs tremble. His children are darlings and when I asked about his wife, Lou simply said "We're divorced now." He looked at me and saw the sudden hunger of anticipation in my face. My pussy throbbed with a warm wetness that saturated my tight denim shorts. I'm certain Lou noticed and perhaps even could sniff my raw scent.

After a while, he suggested we take a walk away from the crowd. We strolled deep into the woods and after about a quarter mile, he stopped. "You look so pretty," he told me. His hands

were on my hips, pulling me closer.

Reaching up, I kissed him and sighed. "You look better now than ever, Lou." He then lifted my blouse to feast on my full breasts. His wet tongue swirled around my nipples and he tugged on them with his teeth. I pressed his curly haired head hard against my breasts and told him how many nights I'd spent masturbating and dreaming of him, only him! And the way we were.

Just then, he touched my pussy and brought a wet finger to his nostrils. Smiling, he slid down my shorts and kissed my pussy, playing with my curly hairs the way he always did.

He stood tall to unbuckle his pants and allowed me the pleasure of yanking them down. His scented groin, all sweaty and raw, beckoned my hungry lips closer. When his large dick brushed my lips, I grabbed his thighs, signaling to him I wanted to take him into my mouth, just the way he did in our younger days. His plunging prick scraped the roof of my mouth and I thought I'd gag as his silky sperm started streaming down my throat. I

clamped my lips tightly and drained him completely.

We didn't have time to fuck in the woods, although we so desperately wanted to. Lou kissed me and led me back to the picnic grounds, promising to call me at my motel room later that night.

I sat down and inhaled the fresh summer air, knowing that it may not be true for everyone but it certainly was the case for me. Yes, there's no place like home.

SUCTION MOUTH SUE

Sue wasn't pretty, but she was easy. She'd bang any guy at school, sometimes just to be popular and sometimes in return for something she wanted—homework to copy from or dinner at a diner.

One time she wanted some history notes to copy, but I wouldn't give them to her. She offered to let me bang her, but I had a girlfriend and didn't need Sue. Then she offered to suck me off. Now, that was something my girlfriend wouldn't do. In fact, that was something I'd never had done before. I agreed to let Sue copy my notes.

We went to her house and did it in the garage. Sue pulled my pants down to my knees while I waited to see what a blow-job really felt like. She started out by licking my cockhead. She barely touched my meat as she traced delicate circles around the tip.

Then she very lightly blew where it was wet and my sensitized cockhead tingled.

She put her lips to the head and began kissing it softly. My cock was turning colors now and changing red. Sue kissed up and down the shaft, then kissed my balls, then took them gently into her mouth and prodded them with her tongue. Then she let go and suddenly her mouth was on top of my cock. In one great gulp she had it totally down her throat.

Warmth and moisture surrounded my seething rod. I pushed hard and went so far into Sue that she gagged, but she recovered and sucked without missing a beat. I grabbed her bouncing jugs through her lightweight shirt. I took one in each hand and squeezed. It felt good, so I did it harder. Sue protested, so I lightened up, but I kept on squeezing her tits as she went on sucking my dick.

When I opened my eyes again she had put one hand to her pussy and was

diddling herself with a finger.

She varied her sucking to keep it interesting. First she kept her lips loose around my meat and moved slowly, provocatively up and down. Then she clamped harder and really sucked. Then she moved up and down real fast. She was good. She knew when to stop, to keep from bringing me off too fast. She was going to see to it that her sucking was worth the history notes she was getting in trade.

The next thing she did was to loosen her lips while my cock was still deep in her mouth, and gently exhaled so that a soft, moist breeze played on the entire surface of my cock. Then she clasped her mouth all around me and just stayed that way, sucking her cheeks in against the surface of my meat. Then she pulled her mouth slowly up my rod while frantically fingering her own cunt.

When she had gotten her lips up till they were barely touching the tip of my meat, she zoomed down, engulfing my entire shaft with her mouth and pressing as tight as she could. She repeated this, devouring my cock with each quick down stroke, until she could feel that my balls were about to empty my sticky cum into her hungry mouth.

Then she reluctantly stopped fin-

gering herself so she could use one hand on my balls, gently, kneading them, and the other on my rod, moving up and down, along with her lips. My balls were being prodded, my rod was under a delightful attack, and I was about to lose my load. With a shudder that ran through my entire body, I shot out a hot wad of cum into Sue's mouth. She put one hand back into her panties and brought herself off while she turned her head and efficiently spat out my cum.

"That way I can't get pregnant," she said. Good at her "job" but not too bright. Well, I guess that's why she needed to borrow my notes in the first place.

LOOK OUT, MEN

It's Saturday morning and I'm having a hard time opening my eyes. It was a fun Friday night, but I don't remember much of it, just partying with the girls at the club. I was still feeling a little warm and fuzzy and my body awakens. Instinctively, I move my hand across the bed, feeling disappointed at the empty space beside me. Since

meeting Giorgio two weeks ago, I had tried to see him whenever possible. As a consequence of my new relationship with him, I've seen considerably less of Sheila, who apparently did not approve of 'her lover' being involved with a man.

Oh well, so I place my hand upon my smooth, hairless mound, feeling a pleasant sensation flood through my body. 'I'm seeing Giorgio to night,' I thought as I slid my finger into my wet pussy slit. Having not seen my new lover for five consecutive evenings, I finally felt the compulsion to orgasm, opening my legs and placing a finger on my clitoral hood, sliding it down between my pink labia and onto my opening, feeling the moistness within. I insert a finger and close my eyes.

Gently fucking myself, I move my other hand down and gently tug on my inner lips. Moving my finger from my increasingly wet orifice, I transferred some juice to my clit, softly stimulating it. Feeling good, I continued with my clitoral stimulation and reinserted a finger into my hole, quickly adding a second, gliding them slowly in and out as my juices began to flow more freely, covering my fingers.

Now I must open my legs wider, swaying my hips, pushing against my fingers, visualizing Giorgio's huge penis, imagining it gliding majestically in and out of my waiting pussy. Minutes later, feeling that I was approaching a climax, I removed my finger from my now fully erect clit, and rubbed my slick fingers along my engorged pussy lips, then back to my button, varying the stimulation.

As my fingers pumped into my perfectly shaped pussy, I could feel the stupendous sensations beginning to dominate both my body and mind. I begin to gasp and moan as I writhe around on the bed; my entire nether regions tingling and becoming more pleasurable with each stroke. Finally, orgasm hits me, pulsating dramatically through all the nerves in my body. I hear myself groan loudly as my pulsating pussy juices cover my fingers in yet more viscous fluid. I lay there shaking and breathing heavily. Gradually, I removed my fingers, running them up my soft, silky flesh, bringing them to rest on my breasts, where I'm caressing my pink nipples. "Look out Giorgio, tonight is going to be even better, so you better be ready."
